

Quality

The Directors of Core Developments NQ Pty Ltd have a commitment to Quality and continuous improvement. Our objective is a culture that embraces the challenge of continuous improvement and continues to deliver the highest levels of service, professionalism, and product quality and customer satisfaction.

To deliver our objective we are committed to:

- Communicate Core Developments NQ Pty Ltd's Quality Management Policy and procedures to all employees and other stakeholders as appropriate to ensure they are aware of their obligations.
- Comply with all contractual and legislative requirements.
- The establishment implementation and maintenance of our Quality Management System to AS/NZS ISO 9001 standards.
- The provision of a culture in which all participants are accountable for corporate performance and share a single corporate goal.
- The development, monitoring and improvement of all management systems on an ongoing basis

Our Quality Manual documents in a systematic manner the procedures to:

- Ensure compliance with our client's expectations.
- Analyse the performance of our activities and eliminate non conformance.
- Implement regular Quality Audits
- Maintain accurate records to allow verification and compliance

We are all personally responsible for the application of this policy by complying with the standards set out in our manual, the client's requirements and the applicable legislation as we look to improve our performance on a daily basis.
