

OCCUPATIONAL HEALTH & SAFETY POLICY

Core Developments NQ Pty Ltd are committed to ensuring health and safety is a key priority in our culture, and is integrated into our daily activities. Our objective is an environment free of incidents and injuries that ensures the health and safety of our employees, contractors, customer, visitors and stakeholders. This is to be achieved by an absolute commitment to safe work practices and to a continual improvement philosophy to safety.

To deliver our objective we are committed to:

- Communicate Core Developments NQ Pty Ltd Health and Safety Policy and procedures to all employees and other stakeholders as appropriate to ensure they are aware of their obligations.
- Comply with all applicable health and safety laws, regulations, statutory obligations and other applicable requirements.
- The establishment implementation and maintenance of our Occupational Health and Safety Management System to AS/NZS 18001 standards.
- The provision of a safe and healthy work environment through the identification, evaluation and management of all risks that flow from the work we undertake.
- Set measureable targets and seek to continually improve our health and safety performance.
- The provision of safe tooling and machinery to enable our projects to be completed safely and efficiently.
- The implementation of Work Method Statements for all repetitive tasks
- Seeking the personal commitment of all employees, suppliers, contractors, customers and consultants to safe and healthy work place practices.
- Ensure that health and safety management and practices are incorporated and followed in all aspects of our operations.

The well being of our employees and those working with them is of utmost importance. It is the responsibility of all individuals, through an effective health and safety system to ensure a safe and healthy workplace.
